Mrs. Ruby left India in 2020 with her daughter Aliana and son Sebastian to the United States of America to pursue her Master Degree in the field of medicine leaving behind Mr. David in India along with Christopher.

In 2021 Sebastian purchased a piece of land in the city of Chicago as an investment. Meanwhile, Christopher had incorporated a public limited company in India engaged in medical research and manufacture of life-saving drugs with its head office in Panjim, Goa having earned foreign exchange worth USD 12,500,000 in the past three years and was also planning to extend business by collaborating with an American Company engaged in the same field. Hence, he called back Sebastian to India on 31.05.2023 to help him in his business venture after being inducted as a director in his company.

The American company has offered to purchase the land owned by Sebastian in Chicago wherein the production facility can be set-up. Mr. John, the CEO of the American company, acting on advice of Mr. Christopher has shown interest to invest USD 150,000 in Bio-Seeds Ltd., an Indian company engaged in plantation and harvest of medicinal plants and herbs in the hills of Kangra in Himachal Pradesh.

Mr. John suggested that the Company owned by Christopher should donate an amount towards sponsoring of annual salary of a professor at the Chicago Institute of Medical Sciences to gain popularity and fame amongst the medical fraternity in Chicago, thereby creating a chair in medicine, which would ultimately help him and his newly formed venture in the same city to gain a foot-hold.

Meanwhile, Mr. David now being aged, had been suffering with a life-threatening disease himself and has urged his wife residing in Chicago, USA to search a suitable hospital where he can be treated for his ailments and get cured. Mrs. Ruby being a doctor herself has suggested the name of Pennsylvania Institute of Research and Medicine. She has consulted the specialized doctors in the institute who are of the view that the cure of disease of Mr. David is possible but the patient must spend a minimum of six months in the hospital of the above research institute.

The institute has given an estimate of expenses of USD 269,000 for the treatment and the said estimate has been provided on the letterhead of hospital under seal. The cost of emigration as certified by the authorities for Mr. David has been calculated at USD 15,000. Mr. David has urged the Pennsylvania Institute of Research and Medicine to reduce his treatment expenses to USD 200,000 but the same has been refused by the above Institute. Mrs. Ruby decided to help her husband and is willing to sell a property owned by her in Panjim, Goa which was earlier bought while she was in India along with Mr. David.

Based on the facts given in above case scenario and by applying the relevant provisions of the Foreign Exchange Management Act, 1999 (FEMA, 1999), choose the correct answer of the following questions : (Q. No. 1 to Q. No. 3)

1. Whether Mr. Sebastian as well his mother Mrs. Ruby can be allowed to transfer their respective properties in Chicago, USA and Panjim, India towards achievement of their separate motive ?

Case Scenario-II :

Adolescent Ltd., a public limited company is an Indian multinational retail company focused on infant, maternity, and child-care products. The company was founded in 2009 and is headquartered in Valsad, Gujarat. It sells products through its website, mobile app and over 256 stores, which operate under Busy Baby and Brainy Baby brands. It has a paid up capital of ₹ 126.00 Crore in Equity shares issued at a premium of ₹ 6 per share as well as ₹ 112 Crore in Preference shares redeemable after 7 years of issue.

(7)

JKL1

Toddler Ltd. another Gujarat based company was founded by Mr. Toddler an Anglo-Indian gentleman with no legal heir. Toddler Ltd. was engaged in the manufacture of medicine specifically focused to children under the age of 3 months. Adolescent Ltd. acquired 100% equity in Toddler Ltd. in the year 2011 thereby becoming its holding company. In 2024, Mr. Toddler purchased 5% stake in equity shares of Adolescent Ltd. in his individual capacity and decided to assign trustee rights to Toddler Ltd. which would take care of his stake after his death as he did not have any legal heir. In July 2024, Mr. Toddler died leaving behind the company as well his 5% stake in Adolescent Ltd.

Toddler Ltd., being the trustee to the 5% stake of Mr. Toddler, claimed its stake in the shares earlier held by Late Mr. Toddler. Mr. Quick, one of the directors of Adolescent Ltd. opposed the transmission of shares of Adolescent Ltd. held by Mr. Toddler to its subsidiary company on the plea that the subsidiary company cannot purchase the shares of the holding company with voting rights.

Adolescent Ltd. is planning to enhance its production capacity by installation of plants in various parts of the country including Jamnagar, Pune, Hissar and other Industrial cities. The banks have refused to fund the projects and hence the company is planning to raise money from the public by issue of fully paid equity share capital. A Shelf Prospectus was thus issued to raise ₹ 76.00 Crore from the public for the Jamnagar Plant in December 2024. Such prospectus had mentioned the contracts entered by Adolescent Ltd. for development of plant infrastructure in Jamnagar.

Meanwhile Adolescent Ltd. is also planning to commence the development of the Hissar Plant in January 2025 thereby raising ₹ 95 Crore through the same Shelf Prospectus. An information memorandum was thus issued containing details of the contract for development of the Hissar plant infrastructure, with no mention of the earlier contract for Jamnagar Plant. The Registrar rejected the information memorandum as incomplete.

JKL1

The Board of Directors of Adolescent Ltd. has called a meeting of Preference Shareholders of the company to resolve upon changing of the conversion ratio of preference shares into equity share. The meeting was called and consent in writing favoring such variation has been obtained from preference shareholders worth ₹ 84 Crores although a special resolution towards the same could not be passed. No separate consent of equity shareholders was obtained despite that they argued such conversion shall cast an effect on their rights as well.

The equity shareholders on the other hand have argued that changing of the conversion ratio would affect the number of equity shares that preference shareholders receive after conversion and hence have shown their dissent towards the above decision and are planning to apply to the Tribunal for redressal of their grievance.

Based on the facts given in above case scenario and by applying the relevant provisions of the Companies Act, 2013, choose the correct answer of the following questions : (Q. No. 4 to Q. No. 6)

4. Whether in the current scenario Toddler Ltd. can become the assignee to the shares of Adolescent Ltd. in transmission from Mr. Toddler after his death as well as get rights to vote in the meetings of the holding company ?

2

(A) Toddler Ltd. can enjoy the rights of an assignee or legal representative in the event of death of Mr. Toddler but would not get the right to vote in the meetings of Adolescent Ltd.

☒ (B) Toddler Ltd. can enjoy the rights of an assignee or legal representative in the event of death of Mr. Toddler and would also get the right to vote in the meetings of Adolescent Ltd.

(C) The contention of Mr. Quick opposing the transmission is correct as a subsidiary company cannot acquire share in the holding company.

(D) Toddler Ltd. can itself acquire the shares in Adolescent Ltd. but cannot become an assignee.

5. Whether the Registrar is justified in rejecting the Information Memorandum as incomplete ?

2

(A) The Registrar is correct as the Information Memorandum should have contained not only the details of latest contract for the Hissar Plant but also details of contract of Jamnagar Plant.

☒ (B) The Registrar cannot reject the Information Memorandum as the same has been correctly filed with details of the latest contract.

(C) The Registrar is correct as a new Shelf Prospectus should have been filed for money raised for every new project as in the present issue filing of information memorandum is not the correct compliance.

(D) The Registrar is incorrect as there is no requirement for issue of a Shelf Prospectus for any money raised within a period of one year.

6. Whether Adolescent Ltd. be allowed towards variation of class rights of the preference shareholders considering the fact that a special resolution could not be passed by the preference shareholders in background of the provision of the Companies Act, 2013 ?

2

☒ (A) The Registrar of companies shall not order the variation as special resolution has not been passed by the preference shareholders.

☒ (B) The Registrar of companies shall not order the variation as although requisite number of preference shareholders have agreed but consent of dissenting equity shareholders has not been obtained whose rights are affected by such variation.

(C) The Registrar of companies shall order the variation of class rights of Preference shareholders as 75% of Preference shareholders have agreed to such variation.

(D) The Registrar of companies shall refer the matter to the Tribunal rather than passing an order itself.

Case Scenario-III :

Mr. Famous owned a firm operating a fleet of eighteen taxis engaged in the transportation of passengers in and across the state of Madhya Pradesh. The business had started way back in 1986 wherein the vehicle permits were obtained and the business was being run successfully. The registration for the vehicle expired in the year 1988 and the firm applied for renewal of registration of the vehicles under section 58 of the Motor Vehicles Act, 1939. The application under the aforesaid Act was still pending when such Act was replaced by the Motor Vehicles Act, 1988. To get the application processed, Mr. Famous applied to the authorities to consider the application under the Motor Vehicles Act, 1988 taking plea of section 6(c) of the General Clauses Act, 1897. The application was not entertained by the authorities on the pretext that since the application was filed under the repealed law, the old application would not be considered and that the application should have been filed within time. Later, Mr. Famous died leading to the closure of business. The family of Mr. Famous still lives in one of the flat bought by Mr. Famous during his life-time from Mr. Rich, a builder and contractor dealing in construction and selling of flats.

He was advised by one of his finance consultants to rent his unoccupied flats and thereby earn handsome passive income in form of monthly rents. The advice was given to him in the year 2017 and he has been renting out the properties since then. Deebee Motors Ltd., an automobile dealer opened his office in one of the flats for commercial purposes in the year 2019 for a rent of ₹ 3.15 Lakh per month. Initially the rental dues were timely paid by the dealer but later the automobile dealer defaulted in paying the above resulting in cumulative arrears of rent being ₹ 1.20 Crores as on latest date. Mr. Rich, filed a suit for recovery of rental arrears on immovable property pleading the court to treat such arrears as benefit out of land as defined in under Section 3(26) of the General Clauses Act, 1897 under the head of "Immovable Property". The defendant submitted that arrears of land revenue in this case cannot be termed as "benefits from Land".

Deebie Motors Ltd. offered Mr. Rich a passenger family car worth ₹ 3.00 Crores at ₹ 1.80 Crores to compensate the loss incurred by Mr. Rich on rental dues. Unfortunately, color selected by Mr. Rich was unavailable at the selected purchase date. The marketing manager informed and assured that the color will be available after a waiting period of 3 months. Deebie Motors Ltd. further asked Mr. Rich for an advance cheque of minimum 50% of the sale value to shield the purchaser from any future price enhancement. A postdated cheque of ₹ 90 Lakhs was handed over to the dealer as the booking amount. The cheque was kept with the showroom owners but could not be deposited by them in their account until the last day of third month when Mr. Rich came to know about the above failure on part of the car dealer. The car dealer insisted that Sunday being the last day of the third month, the bank was closed and the cheque could not be deposited thus showing his inability to deliver the car which had arrived on Saturday. The dealer insisted on issuing of fresh cheque.

7. Which of the following is true on the validity of the rejection of the application made by the firm of Mr. Famous regarding renewal of registration of the vehicles under section 58 of the Motor Vehicles Act, 1939 ?

2

(A) The rejection was not justified and the same old application should have been considered as per the new Motor Vehicles Act, 1988.

(C) The form can either be accepted or rejected at the discretion of the authorities which in this case have opined to reject the form.

✓ (D) The form will be rejected in case the delay in filing cannot be justified by Mr. Famous.

8. Whether the plea of Deebee Motors Ltd. towards refusal to treat arrears of rent as "Immovable Property" as per the General Clauses Act, 1897, shall hold good ? Whether the future rental income be included under the above definition as provided in the aforesaid Act ?

2

(A) The plea of Deebee Motors Ltd. shall not hold valid in this case and arrears of land revenue shall be included in the definition of immovable property under the aforesaid Act. Future rent payable cannot be treated as immovable property under the Act.

(B) The plea of Deebee Motors Ltd. shall hold good as rent have already been arisen and hence cannot be termed as benefits from land although future rent can be included in the definition of immovable property.

(C) Neither the arrears nor the future rent shall qualify within the definition of "Immovable Property" as provided in the aforesaid Act.

✓ (D) Both Arrears and future rent shall qualify within the definition of "Immovable Property" under the aforesaid Act.
