CASE STUDY 12

Wanton Terun Limited (WTL) is a fast growing listed company focussing on innovation in the Textile and Garments Industry. The Company has grown in last one decade from Punjab (India) to the homes of millions of customers across 50 countries and is aiming the target of becoming the most trusted brand that takes conscious care of its customers, employees and all stakeholders, and treats them 'the best.' Company also has 5 subsidiaries operating outside India in the same business line of garments and trading of some special types of yarns. Financial Statements of the Company for the financial year 2023-2024 have already been prepared and audit was completed as per all regulatory requirements.

After gaining experience as CFO of the Company WTL for last 15 years, Tiru has resigned and started his own venture in professional consultancy with some other players in the same business domain. Management of the Company gave an advertisement in all leading newspapers for hiring qualified professional for the vacant post of CFO. Fifty applications were received by the Company and all the candidates were competent and had good exposure in financial reporting, corporate governance, MIS reporting, capital budgeting, direct and indirect tax matters.

Management of the Company decided to have interview board for selecting the appropriate candidate for the post of CFO. After looking at the recent developments in various areas relating to the operations of the Company, accounting and other technical aspects of Companies Act, GST etc., following issues (as per books of accounts of the company) were selected on which opinion of all the candidates was sought and whosoever gives the correct response will be selected for next round of interviews. You are also interested in this job profile and have been asked the following issues during the interview:

Issue 1

Company is operating in 50 countries, so employees of the Company travel worldwide to oversee the operations and for business expansion. For this purpose, foreign currency is taken from authorized dealers (who charge GST as per relevant provisions of GST Law and applicable valuation guidelines) and used for meeting all overseas expenses including stay, local travelling and food expenses in foreign countries. For the upcoming business trip, employees will be travelling to United States of America and require US$ 10,000. Company purchased foreign currency (9900 US$) by paying ₹ 7.40 Lakhs, however the customs exchange rate and bank buying rate on the same will lead to amount of ₹ 7.45 Lakhs and ₹ 7.50Lakhs respectively for equivalent number of dollars on the same date.

During the last overseas visit of Senior Vice President (Marketing), the Company received export order for specified types of garments for which yarn was required to be imported. Company imported special yam from Germany for manufacture of garments. There was no

transaction value available for such yarn. Consequently, transaction value of identical goods under customs was considered.

Issue 2

One of the overseas subsidiaries SSS Inc. has provided financial assistance to WTL. The said financial assistance is outstanding in the books of accounts of the Company as Foreign Currency Loan (FCL) on which it paid an interest of₹ 32Crores in the last financial year. The amount of TDS, as applicable, has been deducted and deposited within the due date. Profits before interest, taxes, depreciation and amortization (EBITDA) of the borrower in the previous year were ₹ 100 Crores and the amount of depreciation was ₹15 Crores.

Issue 3

Company has to comply with listing obligations and disclosure requirements relating to corporate governance and for this, independent and a qualified audit committee is already formed and functioning. The audit committee consisted of six directors (having wide experience in corporate matters) with four of them being independent directors. One of the directors P (an independent director) has resigned as a director of the Company. WTL proposes to appoint Q as an independent director who is already serving as managing director in one company and independent director in three other listed entities.

Issue 4

Arunima is woman director of the Company. Due to her other engagements, she tendered her resignation from directorship with effect from 1stMarch 2024, vide her letter dated 15thFebruary 2024, which was received by the Company on 20thFebruary 2024. The Board took note of the resignation in its meeting held on 15thMarch 2024.

Issue 5

Aver Private Ltd was acquired by WTL and the same was accounted as a business combination as per Ind AS 103. However, there was an existing share-based scheme in Aver Private Ltd with a vesting condition for 4 years in which 3 years had already lapsed at the date of acquisition. WTL agreed to replace the existing award for the employees of the acquired entity. The fair value of the option under share-based payment scheme on acquisition date was ₹ 1,200, while the fair value of option replacing the existing scheme was ₹ 1,500. Also, only one more year was left for vesting after the acquisition.

ANSWERS TO THE CASE STUDY 12

I. Answers to the Multiple Choice Questions

1. (b) GST will be applicable on these services and the value of services will be & ₹ 7,400

Rule 32 — Determination of value in respect of certain supplies

The value of supply is difference between buying rate or selling rate of currency and RBI reference rate for that currency at the time of exchange multiplied by total units foreign currency.

However, if RBI reference rate for a currency is not available then value of supply is1% of the gross amount of Indian Rupees provided/ received by the person changing the money.

Currency purchased	=	₹7.4 Lakhs/$9,900= 74.74
Less: Bank exchange rate		74
Difference		0.74
Value of Services	=	0.74*9,900= 7400

18% GST thereon 1,332

2. (b) Clause 30B requires reporting for the purposes of examining allowability of expenditure by way of interest in respect of debt issued by non-resident associated enterprise under section 94B, while computing income under the head 'Profits and Gains of Business or Profession."

The excess interest to be computed as lower of:

(i) Total interest paid or payable in excess of 30% of earnings before interest, taxes, depreciation and amortization (EBITDA) of the borrower in the previous year or

(ii) Interest paid or payable to the associated enterprise for that previous year

3. (a) Every listed entity shall constitute a qualified and independent audit committee in accordance with the terms of reference, subject to the following:

(i) The audit committee shall have minimum three directors as members.

© The Institute of Chartered Accountants of India

(ii) At least two-thirds of the members of audit committee shall be independent directors and in case of a listed entity having outstanding SR equity shares, the audit committee shall only comprise of independent directors

4. **(a)** Proviso to Rule 3 of the Companies (Appointment of Directors) Rules, 2014 provides any intermittent vacancy of a woman director shall be filled up by the Board at the earliest but not later than immediate next board meeting or three months from the date of such vacancy whichever is later.

5. **(c)** In applying rule 4 of the Customs Valuation (Determination of Value of Imported Goods) Rules, 2007, i.e. transaction value of identical goods, the transaction value of identical goods in a sale at the same commercial level and in substantially the same quantity as the goods being valued shall be used to determine the value of imported goods.

II. Answers to the Descriptive Questions

6. Services provided by the independent directors who are notemployees of the said company to such company, in lieu of remuneration as the consideration for the said services, are clearly outside the scope of Schedule III of the CGST Act and are **therefore taxable.**

As per Schedule III of the CGST Act, services by an employee tothe employer in the course of or in relation to his employment are non-supplies, i.e. they are neither supply of goods nor supply of services.

Further, tax on services supplied by a director of a company tothe said company located in the taxable territory **is payable by the recipient under reverse charge.**

Thus, services provided by Mr. Q, being an independent directorto WTL, are taxable under reverse charge and tax on emoluments payable to Mr. Q is payable by the company (WTL)on reverse charge basis.

7. **Computation of Value of Option under the share based payment**

Pre-acquisition period	3
Post-acquisition period	1
Total fair value at acquisition date	₹1,200
Value to be recorded as per business combination underInd AS 103	₹1,200/4 X 3 = ₹900
Value to be recorded as perIND AS 102 **(A)**	₹ 1,200 /4 X 1 = ₹ 300

© The Institute of Chartered Accountants of India

Fair value of the replacement of such award		₹1,500
Difference from acquisition date fair value	**(B)**	₹1,500 - ₹1,200 = ₹300
Total value to be accounted over vesting period	**= A + B**	₹300 + ₹300 = ₹600

ALTERNATE ANSWER

Pre-acquisition period	3
Post-acquisition period	1
Total fair value at acquisition date	₹1,200
Value to be recorded as per business combination	₹1,200/4 X 3 = ₹900

Since the fair value of the new award at the time of acquisition is ₹ 1,500, balance ₹ 1,500 -₹900 i.e. **₹ 600 will be recorded as an employee expense in the books.**
